Thanks of girls in Form IV during 1950-51 only 14. Even granting that all the girl students have passed. The strength in Form VI during 1950-51 will be only 14, besides the economic strength. So it is considered that it is necessary to open Form V during 1950-51. Such benefit of the girls who pass out from Form IV, ~~and even keeping the purpose they are to be fully fulfilled on the basis of the economic strength.~~ During they are to be opened - Form V and VI. Employment of L.T. Gr. during 1950-51 a misjoke!

The draft order on the above may be accepted.
